"PORK BARREL" PASSES THE DAY IN WASHINGTON GOVERNOR ASSUMING

Washington, February 17. The President and Mexico.

President Taft's calm, conservative attude toward Mexico and affairs in that stricken country, as revealed in his compublic to-day, has the cordial sympathy of the vast majority of the members of longress. Indeed, those who criticise the President's course and favor immediate few and their entire singleness of mind is questioned by many of their colleagues. It is declared by egislators who have kept in close touch with the situation in Mexico that there is much force in President Madero's ontention, as cabled by The Tribune's correspondent, that the fate of constituthe Mexicans are incapable of self-government, he must be permitted to serve out his term. Of course, there are many of the rules and after forty min- | who are convinced that it has been already proved that Mexico is incapable of selfgovernment and that her only salvation a dictatorship similar to that chiain a relicall were futile, the maintained so long by ex-President Diaz. howling down But even those legislators who are disns of a record vote. The bill posed to adopt this view would be reluctant to see the United States drawn into the situation or compelled to force more conclusive demonstration that the Mexicans are incapable of governing themselves. Regarding the truth of Mr. principles, as you understand them in the United States, and republican instibecause it is I who am deposed, but because it is the President, the only Presi acting chatiman by the honest, free votes of the people.
